

HEALTH & WELLNESS PROTOCOL Privacy Policy & Waiver of Liability

Your well-being is our #1 priority

This appointment driven trade show will be conducted with courtesy, common sense, and some new protocol in place. We are confident that all participants will be kind, respectful, and conscientious about following the wellness protocol outlined below.

- We will follow and adapt to the evolving health and wellness guidelines recommended by the CDC, local and State of Michigan officials.
- All exhibits are separate and individual business entities. The temp booths and suites are well suited for social distancing within a small group as defined by the State of Michigan.
- Masks are required. As of 7/17/2020, the State of Michigan Executive Order mandates that face coverings be worn in any public space. The Governor's Executive Order details, including exceptions, may be found here [EO 2020-153 Emerg order - Masks - re-issue.pdf](#)
- Maintain social distance of 6' whenever possible.
- Complimentary masks and personal size hand sanitizer are available at the Welcome & Registration Desk.
- Face shields are available for purchase. Quantities are limited.
- Buyers are asked to wait outside of a booth or room until the exhibitor invites them in.
- Wash and sanitize your hands often, especially before and after each point of contact. There will be sanitizer stations at the entrance, at the registration desk and throughout the venue.
- Buyer registration at the Welcome & Registration Desk will be as contact-free as possible.
- The Treetops Resort and Embassy Suites Hilton CleanStay Program uses CDC recommended products and sanitization methods.
- This is an appointment driven B2B trade show and is not open to the public.
- Daily temperature screenings are taken of staff/sales reps/associates.
- Do not attend the show if you have a fever or do not feel well.
